Peanuts " Peanuts !

If you haven't got bananas don't be blue

Peanuts in a little bag are calling you

For at the very break of day

The peanut vendor's on his way

through every city, town and country lane

you hear him sing his plaintive little strain

And as he goes by to you he'll say

peanuts roasted today

freshly roasted today

If you're looking for a moral to this song

50 million little monkeys can't be wrong !!!
